

Sahaayata

Helping Yourself To Help Others

Sahaayata – The Vision

Set up with this vision to serve and guide people from all walks of life who can find practical solutions to fulfill everyday needs and challenges. To fulfill this need by serving as a conduit to bridge their scared intent, channeling their resources and enabling people to be beneficiaries in the form of physical Grace manifesting in their life.

Sahaayata by Design

Quality of Living | Better Relationships | Helping Society

Dedicated to serve as a one stop solution for a plethora of issues ranging from academics, marriage, counseling, sports, coping with health issues, food related issues (hunger/diet/malnutrition), to more subtler issues like relationships, upbringing, personal success, creativity, professional counseling and family / ancestral guidance / handling failures / breakups / rejections / work relationship related stress / organizational issues ...

Sahaayata as a personal portal | For that timely direction in life

Using powerful time tested techniques, procedures, processes engaging the interconnectedness of mind - body - spirit – consciousness – heart and relationships for leading a fulfilled life and for a happy and joyous living.

Guidance through sacred rituals – to realize the vision / purpose of one's birth – to achieve success in health, wealth and relationships.

Sahaayata for Parenting | Moulding the personality - specifically students, youth, marginal sections of society :

Looks up to re-creating / nurturing a better personality, bettering the living process, enabling the body-mind-heart-spirit interconnectedness within and with others.

The Sahaayata Schooling | The Child Management

Its wealth of experience can help school administration in its children management areas in appreciating child psychology and modeling its existing curriculum around integrating the 'parents - child - siblings - friends - teacher' centric relationships, for that wholesome experience in coping with the demanding curriculum.

Sahaayata for Corporates | Focused on decision making, efficiency and effectiveness at workplace

Spirit of entrepreneurship; signature contribution, development and fulfillment, inter-personal skills relationship management, to achieve organizational success and scale career growth.

IF YOU WERE ON THE LOOK OUT, WE ARE THRILLED TO OFFER.
